

The expansion

Add even more fun to your games with the introduction of a new color and, therefore, a new team: the **yellow**s!

Get ready for more competitive, even more fun, and more strategic matches. You can now play with up to 12 people!

In your box

You'll find in your box the 9 extra pucks for the **yellow** team.

Sit around the table

As in the 2-team version, position yourselves evenly around the table, alternating players from each team.

The rest of the rules remain the same. You can play to 10 points for shorter games.
